**METHOW WATERSHED COUNCIL SEEKING NEW MEMBER FOR OPEN POSITION**

Methow Watershed Council has a new open position. Position Five serves the lower Methow Valley. Requirements: Interested individuals must be residents of the Methow Valley (Water Resources Inventory Area 48), defined as being registered to vote in Okanogan County. Candidates must live in the lower Methow Valley, defined by Township line 33N to the southern extent of WRIA 48. It is helpful to have some knowledge or experience with water law, policy or water resources. Please submit inquiries and letters of interest to [methowwatershed@gmail.com](mailto:methowwatershed@gmail.com).

The MWC has a 27-year history addressing water resources issues in the Methow Valley. The organization considers short- and long-term water issues by serving as an information source, as a catalyst for new ideas and by forming strategic partnerships to implement solutions that solve specific issues. To learn more about the work of the Council, please visit: <https://www.methowwatershed.com/>.

MWC encourages the public to bring water concerns to members of the MWC and to attend monthly meetings to learn more. Meetings are held on the 4<sup>th</sup> Wednesdays of the month at 3:00 p.m. except in July and August. Check our website for meeting agendas and confirmations.
