METHOW WATERSHED COUNCIL POSITION ONE- UPPER METHOW- OPEN UNTIL FILLED

Do you have an interest in this valley's water supply and some time to contribute? The Methow Watershed Council (MWC) invites interested Methow Valley residents to submit a Letter of Interest for Position One – Upper Methow - on the Methow Watershed Council. Previous Position One, Greg Knott, is a hard act to follow! Position One on the Methow Watershed Council remains open until filled.

Requirements: Interested individuals must be residents of the Methow Valley (WRIA 48), registered to vote in Okanogan County, and must live in the upper Methow Valley, defined by Township line 35 N. to the northern extent of WRIA 48. It is helpful to have some knowledge of water law and water resource policy. Responsibilities include preparing for and attending one monthly Council meeting, participating in or providing leadership for various committees, and participating in Council education and outreach efforts. Minimum time commitment is about 6 hours per month.

For questions or to submit a Letter of Interest to methowwatershed@gmail.com by June 14, 2024, to be considered at the June 20 MWC meeting. Applicants should plan to attend the June 20, 2024, meeting.

The Methow Watershed Council actively assists in managing water supplies for a sustainable balance between human and ecological needs. The Council endorses the development of voluntary strategies for optimizing water use and provides ongoing community outreach and education on valley-specific water issues. The MWC recognizes its unique role in the community as a source of current and historic water information with the ability to advise local policy makers. The organization addresses short- and long-term water issues by serving as catalyst for new ideas and forming strategic partnerships and implements projects to address these needs.
