The Methow Watershed Council invites you to attend a community discussion about your water rights.

Speakers and topics include:

Greg Knott, Methow Watershed Council Chair

Hear a brief history of the MWC, an update on Council activities, and a preview of upcoming presentations by subject matter experts.

Natalie Kuehler, Attorney, Ryan & Kuehler

Find out what closed basins are and hear how the Hirst decision may affect your water rights.

Andy Hover, Okanogan County Commissioner

Get an explanation of Ordinance 20, information about the current rate of county approvals, and participate in a discussion about zoning issues related to water rights.

And, of course, public questions and comments are encouraged and appreciated!
