

Methow Water Rights

Protect them,
use them or
lose them

- Do you have questions regarding your water rights?
- Are you concerned about your water use or need a vacation from irrigating?

Washington Water Trust will shed light on one of the best-kept secrets for water-right holders: **Washington's Trust Water Rights Program.**

Learn tips and tools to better protect and manage your water rights, the environment, and even your bottom line.

Even if you don't have water rights, this program will explain this sometimes confusing – but important – Methow issue so you can be an informed citizen!

**Tuesday, Jan. 9
7:00 - 8:30 pm**

**Methow Valley Community Center
